Rent Check App

Thank you for choosing to rent your new home through Charleston Rental Properties. Within 24-hours of key acceptance you will receive an email from a CRP team member with a link to your move-in inspection report. The move-in inspection is to be completed via the free, Rent Check app and must be completed within 7 days of receipt. You may also scan the QR link below to download the app sooner.

If there are any repairs needed, please click on the section called 'General'. Take a photo of the repair in question, once completed click continue. You'll scroll to the bottom and type the issue in the section called "Repair Requested". After completing the move-in inspection report a CRP team member will review for final approval and repair request, if applicable. It will be uploaded to your tenant portal once the move-in inspection is approved.
